Diesel Air Compressor Range...

[Enerquip Pty Ltd](#) today announced the launch of its new "industrial and construction diesel driven" & "drill high pressure" compressed air equipment range manufactured by Doosan / "Ingersoll Rand".

Peter Humble of [Enerquip Pty Ltd](#) pointed out that "Ingersoll Rand [Diesel Compressor Range](#) is a recognised brand name in the compressed air industry, in fact it (Ingersoll Rand) has been at the forefront of diesel compressor design for many generations" .

Peter said "We are looking forward to providing the mining, construction and industrial customers with prompt responses to their requests for new equipment and service / technical assistance."

The Diesel Driven Ingersoll Rand Range are available in sizes from 2m³/min (70cfm) through to 45.3m³/min (1600cfm) & High Pressure Drill Compressors 21.2m³/min (750cfm) @ 350PSI through to 45.3m³/min (1600cfm) @350PSI Ingersoll Rand Diesel Compressor units are known for their reliability, robust designs and long service life.

[Enerquip Pty Ltd](#) also provides an on-line catalogue of industrial and construction compressed air equipment, installation photos, compressed air calculators and unit conversion tools. According to Peter Humble "The construction and industrial compressor web site is intended to help our customers with their off-line and on-line research before purchasing compressed air equipment".

[Enerquip Pty Ltd](#) supplies:

- [Industrial Rotary Screw Air Compressors](#)
- [Refrigerated Air Dryers](#)
- [Variable Speed Inverter Compressors](#)
- [Diesel Compressors](#)
- [Drill Compressors](#)
- [Finite Filtration](#)
- [Air Receivers](#)
- [Oil Water Separators](#)
- [Auto Drains](#)
- [Compressor Service](#)
- [Compressor Spare Parts](#)
- [Used Equipment](#)
- [Hire Compressors](#)
- [Pipe and Fittings](#)

Other online services include:

- [Pressure Conversions](#)
- [Volume Conversions](#)
- [Temperature Conversions](#)
- [Power Conversions](#)
- [Air Usage Calculator](#)
- [Wasted Air Calculator](#)
- [Learning Centre](#)
- [Photo Album](#)
- [Rent Try Buy Calculator](#)
- [Press Releases](#)
